

PLACES

I come back to the places where we found us
 Where somewhere between our bad lust
 And I could go anywhere, anywhere is home
 Yeah I could go anywhere, never feel alone
 I come back to the places where we found us, yeah

When I'm not with you, I'm not me
 Nothing ever feels good
 When I'm not with you
 I'm not in control of what I do, it's not me
 When I'm not with you, I'm not me
 Nothing ever feels good
 When I'm not with you
 I'm not in control of what I do, it's not me
 When I'm not with you

When I'm not with you, it's not me
 When I'm not with you

I come back to the places where we found us
 I come back, I come back

I'm not me, I'm not me, no
 Nothing ever feels good
 When I'm not with you
 I'm not in control of what I do, it's not me
 When I'm not with you, I'm not me
 Nothing ever feels good
 When I'm not with you
 I'm not in control of what I do, it's not me, no no no
 When I'm not with you

When I'm not with you, it's not me
 When I'm not with you

DREAMER

Heavy on your heart
 Heavy on your mind
 Wandering the streets tonight
 If you're looking for a home
 You are not alone
 I can be your guiding light

'Cause I promise you
 I'm a dreamer too
 Heavy on my heart
 Wandering the streets tonight

When it all counts for something
 And your pocket's full of loving
 Let's get high on believing
 I can promise you
 Yes I am a dreamer too

We are dreamers together
 Always and forever
 Let's get high on believing
 I can promise you
 Yes I am a dreamer too

Let's get high on believing
 I can promise you
 Yes I am a dreamer too

Let's get high on believing
 I can promise you
 Yes I am a dreamer too
